

INVENTORY ADJUSTMENTS AND WASTAGE MARCH 2021

Inventory Adjustments

Covid vaccine adjustments to on-hand inventory are made **only** when the following applies:

- 1. Extra additional doses received from vials.
- 2. Extra Subtract for duplicate entries.

Note: An adjustment is not to be used to deduct administered doses. This is completed through the reconciliation process only. Private adjustment reason will not be used.

Wastage

Covid vaccine adjustments to on-hand inventory due to wastage are made **only** when the following applies:

- 1. VTRCKS Broken vial/syringe.
- 2. VTRCKS Vaccine drawn into syringe but not administered.
- 3. VTRCKS Open vial but all doses not administered.
- 4. VTRCKS Lost or unaccounted for vaccine
- 5. VTRCKS Other **ONLY USED FOR** Expired vaccines, loss due to temperature excursions.

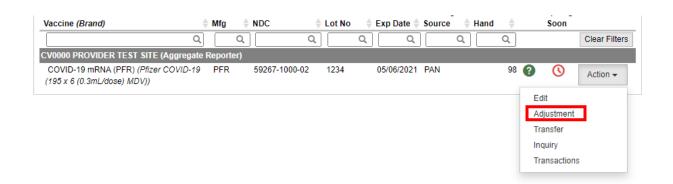

Steps to Complete an Inventory Adjustment

When completing an adjustment in ShowMeVax to the on-hand inventory, you must determine does this fall under an adjustment reason, or is this wastage according to the above reasons only.

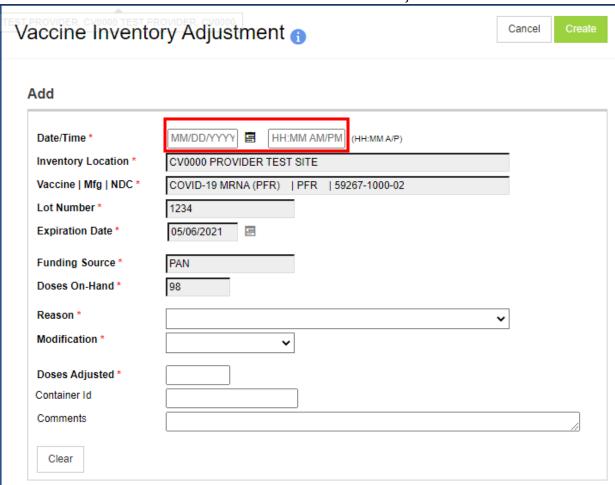

- 1. Determine if you need to do an adjustment or wastage.
- 2. Click on Inventory, then vaccines, then inventory on-hand.

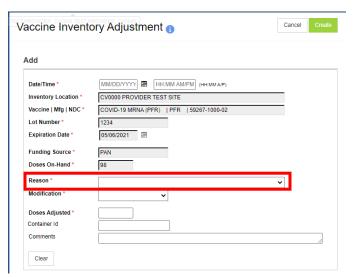

- 3. Locate the Covid vaccine with the correct lot to adjust.
- 4. Click Action, then Adjustment.

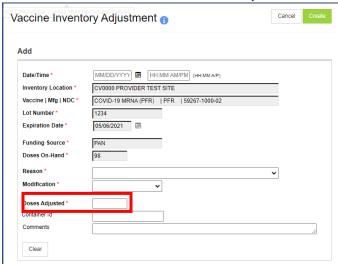

5. Enter or use the calendar to select the correct date of the adjustment.

6. Select from Reason dropdown one of the adjustment or wastage reasons only. (**Do Not Use any of the Private adjustment reasons**)

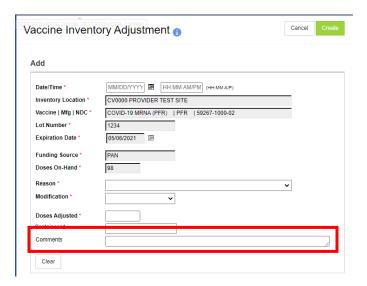

7. Enter the number of doses for the adjustment.

- 8. Enter comments be specific.
- 9. Click create to adjust your on-hand inventory.

Additional resources can be found in ShowMeVax through Reports, then Missouri Forms and Documents for user guides and ShowMeVax Training Videos. The training videos link will take you to our YouTube page where you will find short videos on the different processes in ShowMeVax.

Please contact the helpdesk at <u>vfc-smvsupport@health.mo.gov</u> for assistance or if unsure on the process and include your Covid/VFC PIN in the subject line.
